**PIC Freeze Removal Authorization**

In order to avoid having your local telephone service and long distance carrier changed without your consent, East Ascension Telephone Company, Inc., d/b/a EATEL, has established a PIC Freeze on your account at your request. While your PIC Freeze remains on your account, you cannot be "slammed" or switched to another carrier without your permission. To lift a PIC Freeze, please complete and return this form to the address above.

I hereby authorize EATEL to remove the PIC Freeze on my account (s) (as designated below) so that my choice of Service Provider can be changed.
